Subject: Preference for 2008-09 Standing Committee Participation

The Bylaws of the Senior Services Advisory Council state that the Chair of the Council shall, "Recommend to the Council for appointment by the Council the SSAC members of all Standing Committees, with the stipulation that the Council's First Vice-Chair be appointed to membership on the Planning and Budget Committee, and the Council's Second Vice-Chair be appointed to membership on the Advocacy Committee". A survey of Council members' preferences for Standing Committee assignment will assist with this process. A description of each Committee is attached.

Please complete the section below and return it to Kay Metzger at the June SSAC meeting. Thank you.
