Cottage Grove Senior Meals Program Welcomes New Site Coordinator

The **Senior Meals Program** is pleased to introduce Kindra French as the new Site Coordinator in **Cottage Grove**. Sharon McClintic, the previous Site Coordinator retired this past winter, after serving Cottage Grove seniors for over 20 years.

Kindra said she is “learning a lot from the seniors, even about my own family from generations past that I didn’t even know about!” She continued saying that when she gets older she wants to “be as tenacious, fun and spunky as the group of people who come to the **Cottage Grove Senior Meals Program!**” Kindra continued “Everyone in the dining room is so kind. I have been welcomed with open arms.”

Kindra’s main goals are to serve meals to more area seniors and get the community more involved with the **Cottage Grove Senior Meals Program**. She plans to schedule monthly entertainment during lunch and do more community outreach. If you are interested in helping, Kindra can be reached at 942-9261.

Come down to the dining room any Tuesday, Wednesday and/or Thursday morning to meet Kindra and enjoy lunch!

***Cottage Grove Senior Meals Program** serves meals at 12:00 noon
each Tuesday, Wednesday and Thursday to those 60 years of age or better.*

A donation of \$3.60 is appreciated.

Our Cottage Grove dining room is located at 925 Main Street.
