## Junction City Senior Meals Program Welcomes New Site Coordinator

The **Senior Meals Program** is pleased to introduce the new Site Coordinator for the **Junction City Senior Meals Program**, Marcia Scalise.

Marcia is a Hurricane Katrina refugee. After the storm, Marcia and her husband chose to come for a few weeks Oregon because her son-in-law works for the University of Oregon football team. Little did she know that Oregon would become her new home.

Marcia has worked in church administration and as a wedding coordinator. Marcia says, "I have so much purpose, and feel so fulfilled working for the Junction City Senior Meals Program. I enjoy being part of something good! I love the people and the sense of community we have here." She said "We are extremely happy here and can't believe how things turned out."

Marcia enjoys creating a welcoming atmosphere full of fun, "where people are excited to come." Marcia looks forward to seeing and visiting with the seniors, she said "I have learned they each have so much to offer."

Please come down to meet Marcia and get to know your older Junction City neighbors over lunch any Monday, Wednesday or Friday.

Junction City Senior Meals Program has several volunteer opportunities in the dining room and/or delivering Meals on Wheels to Junction City area seniors.
